

Photography

- **Teachers:** Mrs Weir and Ms Scott
- **Exam board:** OCR
- **Course work or exam?:** 60% coursework including an essay, 40% exam project.
- **Additional charges?** Yes, to cover equipment use and printing.
- **Equipment needed?** Students must have their own digital SLR camera to take the course.
- **What will I learn about?** Students will learn how to take good quality photographs, use the studio lighting, the dark room and editing techniques on Photoshop. They will also gain confidence in developing an independent photographic project on one theme from start to finish.
- **Great for:** Students with creative flair and a critical eye for composing photographic images. Photography students often love editing and experimenting with digital techniques. They enjoy planning a shoot, choosing a location and models in their spare time.

Student view: "I really enjoy taking A level Photography because it gives you a way to express yourself creatively through image. It also has helped me learn how to develop ideas from initial research to final piece"
